**The International Diaper Program**

Did you know there are countries where diapers are not available? The International Diaper Program makes diapers out of old t-shirts and sends them to areas in need (Kenya, Haiti, Nigeria, Mexico, and others). This has cut down on infant mortality rates in those places. Shelia Crawley is collecting t-shirts for diapers. If you'd like to help, just bring your clean, adult-sized t-shirts and leave them in the foyer collection area.

Did you know that we print a limited number of large-print copies of the song lyrics for each Sunday's service? If you have trouble seeing the words on the screens, pick up a printed copy at the Events Desk.
